- Flat buckle or quick release collar. If you feel your dog would do well with a special training collar or harness – please speak with the instructor.
- Light-weight bed, blanket or towel for use in class. (Something that is easy to carry and wash.)
- Lots-n-lots of small, soft treats that your dog can easily eat and enjoys. Try to pack 3 or 4 different kinds of goodies to help your dog be successful.

- Water and water bowl for your dog.
