*Canine Musical Freestyle is an art and a sport that showcases your dog by emphasizing the beauty and grace of the dog's natural movements. In class, the dog works in both heel and right position developing a balanced, agile body. You will discover how music creates an atmosphere of training with joy. It improves most dog sports because it enhances your teamwork as your dog learns how to clearly read your body language.

Online registration opens 8/23 & closes 9/13.
