Memorial Service for Gerry Glantz

A memorial service for Gerry will be held in Scales Chapel on Saturday afternoon, May 6, 2017 at 3 pm. Scales Chapel is located on the Pacific Union College (PUC) campus —10 Angwin Avenue in Angwin.

With the passing of Gerry, we have lost one of the most dedicated members our club has known. Gerry was the very first member to receive the club's service award. What was written 15 years ago about Gerry in the Tattle Tails newsletter below describes the champion lady she was then and continued to be throughout the years since.

"Gerry has been a devoted member of our club for many years. She has given hundreds of hours as a board member, officer, obedience chair and secretary and AOCNC chairman, and continues to be a positive and supportive influence. We are lucky to have her as a member!"—Tattle Tails, February 2002

After receiving the club service award, she went on to donate even more countless hours of her time to the club, she was always and always on the ready to jump in and lend a helping hand no matter what was asked of her. She loved Napa Valley Dog Training, she believed in Napa Valley Dog Training Club, she supported Napa Valley Dog Training Club and her love and commitment showed through everything she did for the club and for the Associated Obedience Clubs of Northern California (AOCNC).

Gerry was also a long time PUC Church member, PUC staff member, and PUC alumna. A native of California, Gerry spent most of her working career at PUC, beginning in the College Book Bindery while still a student. She has been a valued member of the Financial Administration team since 1997.

She is survived by her brothers, Don Glantz and Keith (Doug) Glantz, and her sister, Arlene Rinker.

Gerry will be dearly, dearly missed.

A reason why your dog should have a good down stay is when the grandkids want a chalk drawing of the dog for Easter.

Become an AOCNC Representative!

Enjoy the camaraderie of being involved with other dog clubs throughout Northern California.

The Associated Obedience Clubs of Northern California (AOCNC) needs members to represent the Napa Valley Dog Training Club. Each club who is a member of AOCNC can send three representatives to meetings. With the loss of Gery Glantz, we are currently down to only one representative (Sue Osborn).

Representatives attend meetings held four times a year and keep AOCNC up to date on Napa Valley Dog Training activities to let other clubs know what is going on in their area and also to report back to the NVDTC about AOCNC events and activities.

Meetings are generally held on Saturdays during lunchtime and meals are paid for by NVDTC. NVDTC also pays for mileage and toll for one driver (as reps usually car pool).

AOCNC holds a winter workshop and a summer workshop each year as well as a seminar. Reps help out by volunteering at the workshops and the seminar as available and also help recruit club volunteers to help out at these events.

AOCNC also hosts an educational table at the Golden Gate Kennel Club held at the Cow Palace in January which is manned by members from clubs. Those who volunteer to work at the educational table receive perks: their parking and entry fee is reimbursed by AOCNC.

Being a representative for AOCNC gives you the opportunity to learn more about other dog clubs in Northern California, to meet and talk to others who are passionate about their dogs, and to learn more about workshops, trials, and other related dog events throughout the year.

If this is something you'd enjoy being involved with, please contact Sue Osborn, (707) 252-1864/sueann@napadog-training.org/.

The next AOCNC meeting will be held on July 8, 2017. To learn more about the Associated Obedience Clubs of Northern California, visit AOCNC.org/.

Karen A. Oliver's February 11th Seminar

by Marilane Bergfetl

On February 11th our club and Canine Academics, LLC co-hosted Karen A. Oliver, CPDT-KA and her seminar, "Dog Play: The Good, The Bad and The Ugly." During the three hour event, attendees were presented with tons of information on different styles of canine play, what is appropriate and how to keep a pet safe.

The 18 attendees asked questions, laughed and learned while Karen shared her knowledge, images and videos. Near the end of the event, live dog play examples were provided. Club members helped demonstrate on-leash greetings and the importance of proactive handling. In addition their dogs played in small groups and helped Karen further demonstrate the different combinations of age/sex/types of dogs in playgroups. Thank you to Maria Giaccio, Donna Golemon, Kim Leslie and Sue Osborn for sharing their sweet fur kids with us.

This is only the second combined seminar with Canine Academics, LLC. Based on the responses to both events, we hope to provide more quality, low-cost events in the near future.

More photos of the seminar are posted on our club's website: www.napadogtraining.org/photos.htm

2017 Variable Tracking Test Wrap Up

By Sue Osborn, VST Test Chair

Beautiful weather welcomed this year's NVDC Variable Tracking Test held at the Veteran's Home in Yountville on March 12, 2017. Tracklayers were up at the crack of dawn to lay tracks for five teams, each track very nicely laid. The lovely weather and the nicely laid tracks were no match for what had to be spring fever in the air for the Belgian Sheepdog, Shiba Inu, Keeshond, German Shepherd Dog, and Portuguese Water dog as none of them passed. Just the same it was a beautiful day to get together with friends old and new and to watch the dogs enjoy their search for articles followed by lunch at the Lakeside Grill at Vintner's Golf Club wherein tracking tales were shared.

This year's committee members, all very dedicated NVDC members, were Debbie Crain as Chief Tracklayer, Linda Kennard, Linda Wargo, Gerry Glantz, and myself serving as committee chair. A big thank you goes out to each member for taking care of so much. Kyla Smay, another very dedicated lady, was this year's test secretary. Kyla passed at our test last year and after passing she decided to "pay back" the tracking community by being our test secretary. Kyla also stepped up to be our official photographer.

Linda Kennard not only brought her motor home for us to call headquarters on Saturday, she also was the driver to taxi the tracklayers and judges all over the Veteran's Home grounds as tracks were plotted on Saturday and then, on Sunday, to taxi the judges, tracklayers and the participants where they needed to be at specific times. Donna Golemon was driver number two on Sunday and was on the ready to deliver each team to the start of their track when needed. Spectators also joined in the fun to watch the teams perform.

Tracking Test from page 3

Many thanks go to Mitzi Young and Anne Hershey, our judges for this year. Their ability to remember all the details for the laying of and then mapping five tracks was indeed impressive!

And there are the important tracklayers to thank, also very much appreciated! Linda Wargo, Diane Cosgrove, Barbara Henry, Laura Waldbaum, and Debbie Crain spent both Saturday and Sunday on the tracks for the test. On Saturday, each tracklayer showed up to plot tracks with the judges and the chief tracklayer. Each tracklayer then returned on Sunday and walked the track assigned to them to lay down the scent for the team selected to run their track through a draw that took place at 9:45 on Sunday morning.

Teams for this year's test were Kaye Hall and her Belgian Sheep Dog, Kamrin MacKnight and her Shiba Inu, Tawn Sinclair and her Keeshond, Lizanne Kaiser and her German Shepherd Dog, and Barbara Niemann and her Portuguese Water Dog.

Another important part of this event was the availability of the Lakeside Grill for us to set up our headquarters for the test on Sunday. A big thank you goes to Jason Boldt, General Manager for letting us use two of their tables on their patio (with a fabulous view no less) to serve as a rendezvous point, be a place to serve breakfast to the tracking crowd, and to hold the draw for those teams participating in this year's test.
