

What You'll Need for Training Class

For the First Night:

- A copy of the dog's current vaccination records. (Puppies must have 2 shots 3 weeks apart before coming to the club / training facility.)
- A completed Training Class Application.
- A completed Student Information form.
- Payment (cash or check only, sorry no credit cards)
- Review the Club Rules (posted online)

For Each Week of Training:

- 6' leather or nylon lead (leash). If you use a flexi-lead (retractable leash) at home, please switch your pet over to the more sturdy lead before entering the training facility.
- Flat buckle or quick release collar. If you feel your dog would do well with a special training collar or harness – please speak with the instructor prior to class.
- Light-weight bed, blanket or towel for use in class.
- Lots-n-lots of small, SOFT treats that the dog can easily eat and enjoys. Try to pack 3 or 4 different kinds of goodies to help your dog be successful.
- A bait bag or similar small, cloth pouch for the dog's goodies. This is something you can get your hand in-&-out of easily and quickly.
- Wear comfortable clothing and soft soled, closed toe shoes with good traction. Our training facility is located in a warehouse, so please dress appropriately for the weather.
